

Join us for an evening that celebrates and promotes the invaluable role of fatherhood in child mental health!

Hear from professionals about the role fathers play in the emotional well-being and development of your children. Gain valuable insights and practical tools to support your child's mental health and learn how your involvement as a father can make a positive difference!

Following the short presentation, we invite you to enjoy some quality time with your child(ren) in an educational tour of Patterson Fruit Farm along with strawberry picking. Refreshments and door prizes!

WEDNESDAY, JUNE 28, 2023

10:00am-11:30am
